

# Online Service Reservations

Driving Retention by Mapping OSR  
to  
Customer Needs

Todd Margraf

Fixed Operations Strategy and  
Development Leader for Reynolds and  
Reynolds

# What is your current situation?

- Who in your dealership schedules appointments?
- If it's your advisors, how do they handle customers on the drive while taking other customer calls?
- How well does that work? What the CSI impact?
- What is your current service retention percentage?
